How is an urban area determined?

The United States Census Bureau defines urban areas as densely developed territories that encompass residential, commercial, and other nonresidential urban land uses. Each urban area must encompass at least 2,000 housing units or at least 5,000 people. This is a change from the previous minimum of 2,500 people, which had been in place since the 1910 Census.

How do I apply for the Urban Agriculture Cost-Share Grant Program?

Complete the FY2024 Urban Agriculture Cost Share Grant Application located on the website (<https://agriculture.mo.gov/abd/financial/urban.php>) and provide two letters of support.

Additional requirements will be needed prior to reimbursement.

When can I submit an application?

The application becomes available on the MDA website in August each year. The deadline for applicant to submit applications to MDA is September 15, 2023 at 11:59 pm. Incomplete and late submissions will not be accepted.

How do I submit an application?

Complete the application on the website, include two letters of recommendation, then mail or email to packet to:

Missouri Department of Agriculture
ABD – Urban Ag Grant
P.O. Box 630
Jefferson City, Mo 65102
OR

Grants@mda.mo.gov

Do I need to complete every section on the application?

Yes, every section must be completed for the application to be evaluated fairly.

Should I include any support letters?

Yes, our Advisory Committee expects at least two letters of support for each application.

If awarded, will I get my funds at the beginning of the project?

No, this is a reimbursement-only grant, therefore funds will only be released upon the receipt of all paid invoices showing proof of payment, completion of required registrations and after an inspection has been performed by MDA staff.

What is considered proof of payment?

Proof of payment can either be a store receipt with the method of payment clearly printed on it, a copy of a cleared check, or a detailed bank or credit card statement.

Is a match needed for this grant?

You do not need to determine specific items to be used for a match. The grant only reimburses for 75% of the total eligible project costs. The remaining 25% represents your “match” for this grant.

What expenses are considered eligible to be reimbursed by the grant?

Awarded funds are intended to be used on project supplies including the following examples:

1. Garden tools (Any tool requiring fuel must be pre-approved)
2. Plants, seeds, soil, fertilizer, etc.
3. Greenhouse materials
4. Fencing materials
