CERTIFICATE of HEALTH and SANITARY

TO WHOM IT MAY CONCERN:

The undersigned, of the Missouri Department of Agriculture, State of Missouri, United States of America, certifies that **(company name)** headquartered in **(city, and state – USA)**, with a manufacturing facility located in **(city, and state – USA)**, is a firm known to us.

Based on an inspection report that indicates the company conforms to modern, hygienic and good manufacturing processes, the products from said company are produced with the same quality of materials and good manufacturing practices as products approved for sale in the United States.

The manufactured or distributed product(s), **listed below, (for human consumption/not for human consumption)**, which meet or exceed industry recognized product manufacturing standards, is/are available for free sale in the State of Missouri and distributed generally throughout the United States. To the best of my knowledge, there is no prohibition against export of this/these product(s) into the country of **(name of country)**.
